CARNIVAL PARADISE

Let the fun begin on a Carnival cruise vacation.
4-day Baja Mexico cruises from Long Beach, CA

Your first fabulous stop on this 4-day adventure is Catalina Island, just 24 miles off the California coast. In the picturesque town of Avalon, visit the historic ballroom, take a glass-bottomed boat or experience an exhilarating cliff side tour. The next morning, you're in Ensenada, the most popular seaport in Mexico. It's a great place to go on a shopping spree for native handicrafts and duty-free international bargains - that is, when you're not relaxing on a gorgeous beach! Since your ship doesn't sail till ten, you can also enjoy the area's nightlife. On this cruise, you'll enjoy one fun adventure after another.
